

MONARCH

Monarch Hotel Luggage / Trolley Carts are known for exceptional style, elegance and quality.

Our company was established in 1982. Our success these past 20+ years is the result of a very simple business philosophy: Take care of your customers, and they will take care of you.

Monarch Hospitality is known for exceptional style, elegance and quality. We have opted to remain independent in the market by introducing different styles and finishes.

We would like to invite you to view our new product line.
